

Green Gardeners

in Santa Barbara County

If resource efficiency is important to you, let your garden show it!

The certified landscape professionals listed below have been trained and tested to make environmentally responsible and economically sound landscape maintenance decisions.

While each individual has been certified, Santa Barbara County does not endorse any specific landscape professional or company. Please note that the list applies to the individual and his or her employer.

It is the responsibility of the person contacting these gardeners to check all required licenses and insurance for specified work.
